DEPARTMENT OF COMMERCE
Foreign-Trade Zones Board
(B-19-2014)

Foreign-Trade Zone 238 – Dublin, Virginia
Application for Reorganization under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the New River Valley Economic Development Alliance, Inc., grantee of FTZ 238, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on February 26, 2014.

FTZ 238 was approved by the Board on August 5, 1999 (Board Order 1047, 64 FR 8/24/99). The current zone includes the following sites: Site 1 (35 acres) – warehouse facilities within the New River Valley Airport, VA Route 100, Dublin; and, Site 2 (15 acres) – facility located at 4100 Bob White Blvd., Pulaski.

The grantee’s proposed service area under the ASF would include the Counties of Alleghany, Amherst, Bedford, Bland, Botetourt, Campbell, Carroll, Craig, Floyd, Franklin, Giles, Grayson, Henry, Montgomery, Patrick, Pittsylvania, Pulaski, Roanoke, Rockbridge, Smyth, Tazewell and Wythe, and the Cities of Bedford, Buena Vista, Covington, Danville, Galax, Lynchburg, Martinsville, Radford, Roanoke and Salem, as described in the application. If

approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within/adjacent to the New River Valley Airport Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include all of the existing sites as "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The application would have no impact on FTZ 238's previously authorized subzone.

In accordance with the FTZ Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is *[insert 60 days from date of publication]*. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to *[insert 75 days from date of publication]*.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room"
